Lauren Orr
The Oregon Clinic-Center for Advanced Surgery
Portland OR 97213

WesternU/COMP-NW Student: Uy, Jann, OMS IV (jann.uy@westernu.edu)
Rotation Assignment: Surgery 11/08/21 to 12/03/21
Reference #: Providence Portland and St. Vincent

This letter is sent to request a clinical rotation and to verify that the above Western U/COMP-NW medical student is in good standing and has the approval of this office to begin the rotation as specified. This clinical rotation is taken as a part of the required clinical curriculum of our university.

Professional Liability Insurance: Students on clinical rotations approved by Western U/COMP-NW are covered by professional liability and accident insurance. Our professional liability carrier is Lloyd's policy #W29598200201, with the following limits of \$10,000,000 per claim, \$10,000,000 aggregate. Please contact the Risk Management Office at 909-469-5452 if you have any questions regarding coverage.

Health Insurance: All Western U/COMP-NW students are required to provide their own health insurance. All students assigned to clinical rotations are in compliance with this requirement.

Certifications/Training: All third and fourth year Western U/COMP-NW students are BLS and ACLS certified and have undergone HIPAA and Infection Control/Universal Precautions education prior to beginning clinical rotations. The student has successfully completed course work in basic history taking and physical examination skills.

Immunizations/TB Testing Status/N95: All students assigned to clinical rotations have provided Western U/COMP-NW with annual evidence of TB testing in addition to an annual flu shot. Students are also required to provide proof of current immunizations with Tetanus, TOPV, Diphtheria, Hepatitis B, MMR, Pertussis and Varicella. In cases of a positive TB test, the student must have a negative chest x-ray prior to be cleared for clinical rotations. This letter assures you of the student's immunization status before leaving campus for clinical rotations. All students assigned to clinical rotations at COMP-NW have undergone an N95 HEPA Filter fit testing and a 10-panel drug screen prior to beginning clinical rotations. All students are in compliance with Oregon Administrative Rules 409-030-0100.

Background Check: All third and fourth year Western University/COMP-NW students on approved clinical rotations have completed a federal background check conducted by PreCheck, Inc. Background checks are reviewed by the COMP-NW Office of Medical Education and have been cleared to participate in clinical training at your facility. Additional information on the scope of the background investigation can be obtained from PreCheck, Inc. at Phone #:800-999-9861.

If you have any questions, please contact at or email nwsite@westernu.edu. Thank you for your assistance in this very important phase of our student's training.

Sincerely,

A handwritten signature in black ink that reads 'Stephanie White, D.O.'.
